25X1 retain the slot and will come up with a nominee who can stand up as a good, if not outstanding, representative of this Agency. I put the burden on John Richardson and [redacted] to find a candidate. I undertook to call Mr. Parker as soon as we have selected our candidate.

25X1 4. Admiral Raborn talked to me again about his letter of 14 May 1965 to [redacted] in which he requested a Civil Service ruling that he be permitted to draw his full military retired pay. Admiral Raborn is a little irritated that he has not had a favorable reply to this letter. I undertook to talk to [redacted] about this and to find out where the matter stood.
